

POLICY

1. Each degree student will select a specific curriculum at the time of application for admission. The student will remain in the selected curriculum unless a change is processed through the Office of Registration and Records.
2. The Vice President of Academic Affairs will be responsible for assigning advisors to all full-time, degree students.
3. Students desiring to change their curriculum should first consult with their academic advisor.
4. The "Change of Curriculum" form must be submitted by the student through the Office of Registration and Records.
